Air Assault Strip on Council's Agenda Jan. 27

The Camp Grayling Advisory Council will hold a public meeting at 9:00 a.m. on Saturday, January 27, at the National Guard Armory in Kalkaska.

Included on the Council's agenda is discussion of the Guard's proposed air assault strip. Time has been set aside for public comment at 11:00 a.m. and again at 2:00 p.m.

Governor James J. Blanchard established the council in August to provide a continuing public forum to discuss, review and monitor recommendations from the Camp Grayling Management Advisory Committee to balance military and recreational use of the region.

The nine-member council is chaired by Bloomfield Hills attorney William Carson. Other council members are: Rod Brown (Kalkaska), Dr. William H. Murphy, Sr. (Detroit), George O. Green, Jr. (Okemos), Elizabeth Wieland (Grayling), Blair C. Bedient (Albion), Charles J. Guenther (Grayling), David R. Smethurst (Gaylord), and James D. Schramm (Grand Ledge).

New AMVETS Post Formed in Grayling

The new AMVETS Post #90 is being formed in Grayling following the organizational meeting held Saturday, January 20. These officers were installed: Commander - Ken Eggert; Adjutant - Dennis "Skip" Kaiser; Finance Officer - Mike Hettinger; Judge Advocate - Werner Jenfeldt; First Vice-Commander - Sherman Bressette, and Second Vice-Commander - Sam V. Boodoain, Jr.

The AMVETS is the fourth largest congressionally chartered veterans organization and the only one that extends to current members of the military.

DNR Starting Turkey Census

The Department of Natural Resources will be conducting a census of wild turkeys in Crawford County within the next few weeks. To insure accuracy, anyone who is aware of the location of a flock of turkeys is asked to notify the DNR at the Grayling Field Office (348-6371). Up to date information on the size and the condition of our turkey population is necessary for its proper management.

Group Forms To Help Shelter

A new group formed to help continue making improvements at the Animal Shelter will meet at 7 p.m. Tuesday, Jan. 30, at the Chief Shoppenagon Hotel.

The group wants to get more people involved in several projects to help the shelter. Call Betsey Mitchell, 348-8624, for more information.

10th Suspect Arraigned Here

Dennis Ray Bofysil, 25, of Grayling, was arraigned in 83rd District Court on Tuesday, January 23, on a charge of delivery of marijuana. Bond was set at \$2,500, 10 percent surety.

Bofysil was arrested on Thursday, January 11, along with nine other Crawford County residents by state and local police agencies, following an eleven month investigation of drug trafficking activities.

Kick-Off Dinner Introduces Miss Grayling & Court

The 65th Annual Winter Sports Carnival Kick Off Dinner will be held 6-11 p.m. Thursday, Feb. 1, at the Knights of Columbus Hall. The four-meat buffet dinner will cost \$12.50 a person. There will be door prizes and entertainment by Free Wheelin' Fred.

The 1990 Miss Grayling and her court will be officially introduced to the public at the Kick Off Dinner. Food will be provided by The Copper Kettle.

A&P Store Closing After 69 Years

When the manager of the A&P Grocery Store locks its doors at 6 p.m. on Saturday, January 27, Grayling will lose a grocery business that has served residents of the Crawford County area for nearly 70 years.

According to lifetime resident Devere Dawson, whose father was the store's manager from 1923-1952, the A&P Store opened for business in 1921 on the corner of Cedar and Ot-

tawa streets where the GTE Central Office is now located. Dawson said the store moved twice before finally moving to its current location in 1963.

Dawson said the store moved from the old Minnie Hartley building to Michigan Avenue where Dawson's is now located in about 1927 and then again in about 1933 to the corner of Michigan Avenue and Cedar Street, the current

Mac's Drugs Store building.

A spokesperson for A&P explained that when their lease on the building came up for renewal, the A&P/Farmer Jack grocery chain decided not to extend the lease.

Dennis Rochette, owner of Rochette's, IGA, said he would take over the old A&P building on Monday, January 29, and would be opening Deney's IGA on February 2. He said Rochette's IGA, across the street from the Shell Gas Station, would also continue to serve as a grocery store.

New Commissioner Chairman Predicts Money Crunch for 1990

Robert McLachlan addressed his fellow commissioners at the board's first meeting of the new year, his first meeting since being elected chairman of the Crawford County Board of Commissioners, and projected difficult times ahead for 1990.

"One of the important tasks before us this year," stated McLachlan, "is that we have to send a message to all department heads and listen to it ourselves that 'We don't have the money!' Places where there used to be an extra \$100 are not there any more," he said. "They're gone, a thing of the past."

One way McLachlan suggested that commissioners could save money was to limit the number of special meetings they call to conduct their business.

"We have a lot of problems ahead," he said. "We are going to be in a census year which is important to our financial future; the next 10 years," McLachlan said Crawford County was in a "world of hurt" during the last 10 years because of an inaccurate census count in 1980.

"It's our jobs to get the message to everybody we can talk to, to be counted and to make sure their neighbors are counted too," he said.

Commissioner McLachlan reminded the board

that ten years ago Matthew Bidvia had to relinquish his seat on the commission because of a crisis cross in Bidvia's district and said he hoped the 1990 census would not involve redistricting.

"We will all be subject to more criticism and more vocal comment," McLachlan said. "We always are in an election year. We aren't going to make everyone happy."

In 1989 the current board was consistent in their 4-3, 5-2 and 7-0 votes.

"Maybe it is not always good to have the same 4-3 or 5-2 vote," he said, "but the input from both sides of the fence is healthy and it has been good for us this past year. Hearing other ideas is good," McLachlan stated, "because it keeps us from preconceived and cut and dried situations."

"And when the votes are cast," he continued, "let's be done with them. Let's not be critical of each other's position or each other's vote, but let's be done with it and go on to our next line of business."

In conclusion, McLachlan said that it was important that cooperation continue between the commissioners as they go about their individual jobs.

Miss Grayling To Be Crowned 'At GHS Auditorium Saturday Night

It all began last December with the first get together - and it will reach the maximum excitement and stress on Saturday evening, January 27th.

For the last five weeks our six lovely contestants have been living, sleeping, and breathing pageant preparations - with all their thoughts given to what will make them appear at their very best on that final evening.

Now it's time to put everything together - the songs, the dances, the props - the formals, the accessories, and the instructions. All that is left now is the final few nights of rehearsal, and last minute details.

This year the Pageant is fortunate to have two very special people as our guest "Master of Ceremonies". A pageant tradition, Wayne Hindemah, will make a return appearance to the Miss Grayling stage. Wayne's beautiful counter part will be Ms. Melanie Churella, Miss

Michigan 1987. Melanie has promised to grace the audience with her wonderful singing voice, and Wayne has promised to entertain the crowd with his lively sense of humor.

Chief Shoppenagon's Hotel will be the scene of the judges luncheon on Saturday. Following lunch each girl will have her personal interview with the judges. After the interview the girls spend the afternoon relaxing with their pageant

GHS Players Present Comedy 'Charley's Aunt'

The Grayling High School Players will present "Charley's Aunt," a comedy by Brandon Thomas, on Friday and Saturday, February 9-10.

Members of the ten-person cast include: Tony Jones (jr.) as Stephen Spettigue; Matt Holtecamp (jr.) as Colonel Sir Francis Chesney; Jeremie Beroset (jr.) as Jack Chesney; Bob Hebel (soph.) as Charley Wykeham; and Dana Mirate (jr.) as Lord Fancourt Babberley.

Also, Josh Lepso (soph.), Brassett; Jenni Garner (jr.), Donna Lucia d'Alvadores; Melissa Miller (fr.), Amy Spettigue; Angela Thompson (soph.), Kitty Verdun;

and Niki Barnes (soph.), Ela Delahay. The play is directed by David Glicker, GHS English instructor. The student director is sophomore Andrea Austin.

"Charley's Aunt" is set on the campus of Oxford University, England, in 1892. The GHS Players will perform the play in costume of that period. Building Trades instructor Dale Lesh and his students are constructing the sets, which were designed by Mr. Glicker.

The cast rehearses every day after school, working on this hilarious comedy based on mistaken identities. "I think it's really funny," says

Dana Mirate, whose character must impersonate a woman in "Charley's Aunt." We were laughing every other line when we read it through."

Grayling audiences have always enjoyed a good laugh on the stage and "Charley's Aunt" should be no exception. Admission price is

\$3.00, with children under eleven admitted free. The play will be performed in the Joseph Stripe Auditorium of GHS, beginning at 8:00 p.m. on both evenings.

For additional information, call David Glicker at the high school (348-7641) between 8:30 a.m. and 4:00 p.m.

Disposable Diapers Becoming Problems That Don't Go Away

For parents who switched from cloth diapers to disposable diapers, the throw-away diapers seemed almost too good to be true.

Now, however, many people across the country are finding out the problems associated with disposable diapers, says Shari Axford, owner with her husband Bill of Sweet Bottom Diaper Service, of Gaylord.

Each year about 18 billion disposable diapers are discarded in the U.S.

These diapers amount to 4 million tons causing \$300,000,000 in disposal charges to taxpayers. Disposal diapers, originally intended as a convenience for travel or occasional use, now account for 85 percent of all diaper changes in the U.S. according to Carl Lehrburger in "Diapers in the Waste Stream."

"Not only is there the problem of these disposal diapers remaining in our landfills for who knows how many years," says Axford, "but there's also a lot of rough sewage being dumped untreated."

She says some critics of disposable diapers claim these untreated wastes spread viruses.

Out in Nebraska, the state legislature banned the sale of non-degradable disposable diapers by Oct. 1, 1993, making it the first state to ban non-degradable disposable diapers.

Axford's Sweet Bottom Diaper Service is one of many services in the state promoting the use of cloth diapers as an ecologically and economically sound alternative to disposable diapers.

Using cloth diapers could cut a large amount out of the waste stream and it encourages the idea of recycling as opposed to single-use products. The cloth diapers also come from a renewable resource rather than a non-renewable source like the plastic disposable diapers.

Axford says studies show cloth diapers can be cheaper too. Consumer Reports shows the cost of 7800 disposable diapers for the average length a child is in diapers is

\$1,718.

A cotton diaper service would cost \$1170 over the same length of time. Parents who buy and wash their own cotton diapers would pay about \$299 over that length of time.

Axford's service is a relatively new business covering Otsego, Montmorency, and Crawford Counties. The service offers pick-up and cleaning of cotton diapers. A deodorized air-tight

hamper is provided for storage of soiled diapers until pick-up.

Shari Axford works full-time as the assistant manager at Alpine Food Center and Bill Axford is a full time farmer. They started their Sweet Bottom Diaper Service in addition to their full-time jobs in November of 1989. More information about the new business can be obtained by calling 732-1943.

Opinions

Northern Views

By Jon Thompson
Avalanche Editor

Paul Thomson is certainly right when he says it's impossible to mention all the people in our community who help others (see Letters to Editor). But it's worth the try to mention a few more. Here are a few persons nominated by Nancy Lemmen:

MIKE WIELAND — especially helpful with kids through sports — board member of Grayling Recreational Authority — has taken GHS skiers to Colorado every spring vacation for 20 years — takes young skiers to Sylvan regularly, and also takes kids out fishing and hunting — took hundreds of students to Canada on backpacking trips when outdoor education class was offered at GHS — member of Crawford County Red Cross — was instrumental in initiating the student Blood Bank at GHS.

BETH WIELAND — has helped Mike with the GHS ski program, chaperoning, scoring meets, handling the food end of banquets — treasurer of Grayling Recreational Authority — vice-president of the Crawford County United Way — hard working and excellent county clerk — puts in many hours doing favors for children of friends, such as baking wedding cakes, sewing wedding gowns.

GEORGE MORSE — promoted vocal music in the community for years — served as president of Crawford County Arts Council for several years — member of Milltown Chorale — often found behind the scenes working on projects, such as building floats, wiring sound equipment, getting volunteers, doing committee work, organizing "Summer Singers" — site manager for Artrain.

LORNA MORSE — with George promotes music in Crawford County through the Arts Council and Methodist Church — has been a performer (Milltown Chorale, church choir, variety shows) and a director (children's choir and adults' choir at church, two studen-

ts' musicals at church) — both George and Lorna have been active on CASD millage campaigns.

PAUL MESACK — works with youth teaching Hunter Safety classes twice a year — coaches 4-H soccer team, visits elementary and middle schools with wild animals — teaches fly tying for Trout Unlimited.

SHERRY HAAG — treasurer of the Milltown Festival Committee for 8 years — was vice president of the Arts Council for many years — on Artrain Committee the two times it was in Grayling — was secretary of the Crawford County Easter Seals Society for 3 years.

MARY LOWERY — since moving to Grayling in 1979 has been active volunteer working with people of all ages — learned Braille to become a literary Brailist — transcribes textbooks and novels for blind students in state — was aide in the classroom and elementary school library for 3 years — was volunteer grandmother at Crawford AuSable Day Care Center for 8 years — member of Hospital Auxiliary as volunteer receptionist — works for R.S.V.P. as member of Telephone Reassurance Program — volunteer for Crawford County Hospice Program.

We also received an anonymous letter nominating **TOM AND JAN HUNT**. The Hunts host Grandma Hunt's Annual Pig Roast for area people, donated a live llama to United Way auction, and they both participated in the annual Milltown parade. Tom worked as a volunteer auctioneer for United Way and they both helped organize a spur-of-the-moment Christmas party for senior citizens.

Who else goes out of their way to help people in Crawford County? Tell us in a brief letter before Jan. 31st and we'll publish your note of appreciation to these good people in our Letters to the Editor section.

Let's Talk About It

By Joe Murphy

Some of those old movies on late night T.V. bring back memories of a time when a chance to see a movie was a big event. First those Saturday matinees, later movie dates maybe even up in the balcony of the old Rialto here in Grayling.

That was only when you had passed through the hand holding stage and were ready for a little necking. The balcony gave you a little more privacy and the young lovers were the only ones willing to pay the little bit extra to sit there. Some of those old movies bring back memories of those sweet young things that I was madly in love with for a week or so in my youth. But not all of my movie memories are pleasant. The movie Hitler's Children that was on T.V. this fall brought back memories of the most terrible night of my life.

I must have been about fifteen at the time and decided to hitch hike to Grayling to see that movie. It was a cold winter night but in those days folks were not afraid to pick up a kid hitch hiker. I had no trouble getting a ride and went to the show. It was when I came out that I knew I was in trouble. While I was inside a bad blizzard had hit and the roads were already blocked. I only had enough money to buy my ticket and a box of popcorn so staying in Grayling was out of the question. I started the long walk to Frederic in that raging storm. Frederic seems to be just a little ways up the road most of the time but on that night it was an eternity away.

I have often wondered how I ever made it. It was way below zero and I was not dressed for that kind of weather. All I could do was just keep going. I knew if I stopped it would be all she wrote. I had started out about ten o'clock and it was almost two when I finally staggered in the door at home. My folks were frantic with worry. Dad had tried to come to get me but had got stuck right away. They soon had me wrapped in blankets and drinking hot cocoa. I didn't think I could ever get warm again but somehow except for some frost bite I made out all right. You can be very sure I lost all interest in coming down to see a movie until it warmed up in the spring. I had learned a very important lesson that night about taking the weather in our area too lightly. If you do much traveling in this area in the winter you should have some good warm clothes in your vehicle, it just might save your life.

I have been thinking of starting a new service that you might want to use, Custom Built Poetry. Birthdays, Anniversaries and other special occasions for loved ones might have more meaning with a poem written just for them. I would charge a ten dollar fee for a twenty line poem. All proceeds would be donated to the Christmas Basket program here in Crawford County. If you want to make that special day really special for a loved one, give me a call at 848-8808.

Letters to the Editor

Local Community Works as a Team

Dear Jon,

You want a brief letter of people in our community that go out of their way to help people. That's an impossible job. Just for openers how about the Road Commission, City of Grayling on the roads and the police and sheriff? The people that keep our cars going, business people that keep the doors open in the middle of January with no chance of a profit. All of the public service and utility workers as well as the craftpeople

and tradespeople who we take for granted all year long. Health workers and teachers need a special thank you for working with our young people and elderly.

We sure have a great community to live and work in and I don't think we could single any of them out as we are one of the best teams ever given the privilege to work together.

Thanks to every one of you.

Paul J. Thomson

Area Businesses Help GMS Day

Dear Community,

This is an open letter of gratitude to Hanson Hills, Showtime Video, and The American Legion Lanes from the Grayling Middle School Appreciation Day Committee for their gracious assistance and cooperation. On December 22, the day that Christmas vacation began, these fine businesses opened their doors to our middle school staff and students to host them in a variety of enrichment activities. Showtime gave the middle school staff several videos free of charge for the "movie option" at the school building Friday morning. The Legion Lanes opened early to let 30 middle school students bowl, most for the first time. Hanson Hills not only opened early, but hired staff and groomed their trails and hills just to accommodate 130 students. At Hanson

Hills, students and teachers went ice skating, downhill and cross country skiing, went sledding, and went tubing with Hanson-provided tubes. Hot chocolate was on the house.

Appreciation Day is a once-per-marking-period school-wide activity designed to foster cooperative activity, enrichment, and social skills which are so important a part of adolescent development. It is also a time when middle school teachers have an opportunity to interact with students in a setting other than the classroom. Staff and students alike enjoyed the morning immensely, in no small part thanks to these fine Grayling organizations who helped make the experience successful. School + community = quality education!

ALL ABOUT TOWN

"GRANTED, MISS DILWORTH, IT'S BEEN
A HARD WINTER... BUT WE CAN'T GO
BLASTING AWAY AT SNOWFLAKES."

Is Crawford Part of Problem Or a Part of the Solution?

Dear Mr. Thompson:

Your "Northern Views" column of Dec. 28th was wonderful! But I have to ask the question "where were you throughout 1989 when the matter of the expansion of the Georgia-Pacific Co. into the FOR-MALDEHYDE manufacturing process right here in Beaver Creek was being fought?"

Where are you when matters of pollution and desecration by local industries and other offending entities of Crawford County need to be investigated? When will you point out the offenders regardless of who they are? When will you put some pressure on the township commissioners to set up a recycling operation here in Grayling?

When will you suggest no smoking areas in public places? Wouldn't it be nice if the air inside could be as clean? When will this newspaper take a really firm stand on the side of earth and demand that the offenders be made to clean up their messes?

You asked, "Will future generations look back and laugh at us, like we were just another Roman empire, partying ex-

cessively while our world crumbled around us?" I don't think those future generations will be laughing. I think they'll be CRYING, from disbelief at our stupidity and from the contamination of the air they would have liked to have been able to breathe.

Again I quote you. "We're filling the country with common trash and toxic waste that could harm many generations to come. We've ruined great rivers, beautiful lakes, woods and wild places. But we do have an abundance of chemicals that can kill plants, animals and humans."

Mr. Thompson, you've just described CRAWFORD COUNTY. The AVALANCHE should be leading us into this new decade with the courage to say to those responsible for our natural resources - whoever they are - "clean up your mess!" It is imperative that we who do love this area fight hard against those who would destroy it in the name of progress. WE can't take much more of this apathy to what is going on around us WE need to educate your

readers. I suggest that you, yourself, go to all the Chamber meetings, township meetings and meetings of the Governor's Camp Grayling Committee. An active editor and a strong reporting staff on the side of earth would be great assets in a county that tells the tourists we're a wilderness area when in reality we court polluting industries and expanded military activity.

Which will it be, Mr. Thompson? Is Crawford County one of the problems or a part of the solution?

A small town newspaper is in the enviable position of being able to inform the public of what is really happening as well as being a forum for the public to express their ideas and concerns. A much expanded letters to the editor page and an information page for meetings, their subject, time and location would be a great help. Please print them all on the same page in at least 6 pt. type.

I hope you and the Chamber will make Crawford County a leader in the fight to save our earth.

Blanchard message part of campaign

IN LANSING CAPITAL circles, the governor's annual "state of the state" message is a major development -- a really big thing.

But around the state? Probably not. It's usually not the hottest topic for the coffee klatches and bridge tables and tavern talk around the state.

Those directly involved try to make it meaningful. Gov. Blanchard this year, for example, imported a handful of what he called "Michigan Superstars" and salted them around the audience for individual recognition and introduction during his speech. The tactic is a direct steal from Ronald

Reagan... and a nice touch, regardless of origin.

But all in all, the "state of the state" and all it implies usually receive a rather blah reception with the people. This year was no exception.

NOT THAT THE SPEECH was bereft of content. The governor called for several state programs, most of which would cost money in one way or another. Of course, the obligatory political promise of no new taxes also was included. How the two positions mesh is open to question.

Here are some of Gov. Blanchard's ideas:

-- A state-funded health care program for poor children costing about \$13 million the first year, twice as much the second year.

-- More state police troopers in the metro Detroit area; also, a 4.2 million grant program to put cops on the streets in drug-infested neighborhoods. Neighborhood associations and cities could apply for the grants.

-- Some \$8 million to treat crack-addicted welfare mothers, and for drug treatment centers.

-- A school property tax

limitation program to cap assessment increases at the inflation rates, estimated savings to homeowners (i.e., estimated cost): \$35 million.

THEN THERE WAS THE proposal to send the National Guard into urban areas to tear down abandoned houses, many of which turn into drug dealing centers. It's an interesting idea, which probably won't fly -- at least, this year.

The governor also proposed increasing state bonds to pay for \$500 million in new building at state universities that keep tuition increases in line. The schools will likely welcome the proposal; whether the taxpayers will welcome mortgaging future income for present buildings is another matter.

One of the more controversial Blanchard ideas, without a price tag, would increase the school dropout age from 16 to 18. Whether that would help or hinder local school and police authorities in attempts to deal with both education and youthful crime will be hotly debated.

WHAT DOES ALL THIS mean?

In an election year -- such as 1990 -- the "state of the state" message by an incumbent governor seeking reelection assumes new proportions. The occasion gives Gov. Blanchard a statesmanlike opportunity to spell out what he would like to see happen to and for citizens he will ask to vote for him

By Richard Milliman

later this year.

By the same token, it puts the governor on record as a candidate, and provides his political opposition with chapter and verse that could come back to haunt Mr. Blanchard as a candidate later this year.

The opposing Republicans will inspect and dissect the Blanchard "state of the state" message, as well as the governor's budget when it is submitted, and all of his other proposals to the legislature this year.

It's no free ride for the Democratic governor this year. Sen. John Engler, Republican leader of the Senate and likely Blanchard foe for governor, had his own message on the condition of the state, as well as a rebuttal to the Blanchard speech.

"Republicans are not going to sit on our hands and let the governor and the Democrats try and run through any irresponsible tax increases or new big-spending government programs," Sen. Engler said.

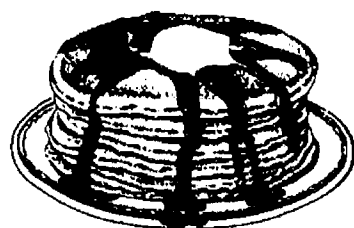

"We're going to demand new priorities -- not new taxes."

The 1990 campaign for governor is off and running, and the governor's "state of the state" message this year in many ways is simply another part of that campaign.

Miss Grayling Says All Pageant Contestants are Winners

To All of Crawford Co.,
The following is a letter to the new Miss Grayling Contestants and warm heartfelt thanks to you - Grayling.

Like the queens before me, soon I shall become a former queen, another beautiful and lucky young lady will take my place. To her, goes the hope that she will have the most wonderful year of her life as I have had. To the rest of the contestants I say this, "No matter if you win a title or not, you are all still winners." You have won in your eyes, your family and friend's eyes and are admired by all for your courage and stamina.

As the end of my reign nears, I will always remember this past year as a turning point in my life. So many wonderful things have happened, but most of all, I have learned so very much about myself and the drive it takes to be able

to conquer and achieve my goals. The experience that I have gained will help carry me through the rest of my life.

After being crowned Miss Grayling, wonderful things began to happen. I immediately was asked to attend several functions and began accepting the responsibilities that accompanies the title. At that moment I realized I had become a woman and my life was about to begin. I was filled with wonderful exciting expectations, and each one was fulfilled. The thought of representing Grayling seemed to overwhelm me. However, I was proud to be that person.

During this past year I have had the pleasure to meet wonderful people, attended other pageants, been in numerous parades and have spoken at several events throughout the state. The singularly most exciting experience

was my competing in the Miss Michigan Pageant. This was an experience beyond my wildest dreams, to represent Grayling at the statewide level. Though I did not walk away with the title, I still came home a winner. I was still Grayling's queen and would continue to represent our beautiful town everywhere I went. I went on to participate in the Cherry Royal Parade in Traverse City on a float provided by the G.P.A., which was televised. Later when I watched the parade on recorded tape, I was very proud to see that Grayling was well represented, and that Grayling is on the map.

Despite the fact my year is over, my reign will never end. I will always be Miss Grayling 1989, and I will always continue to represent our town as such. I am looking

forward to giving my crown to the next young lady so she will have equally the excitement, experiences and opportunities I have had. This is the end yet the beginning for me for I will be continuing to compete in other pageants across the state. I will be competing in the Miss Heart of Michigan Pageant February 10th in Kalkaska. To the contestants of Miss Grayling 1990, Good Luck. Remember you compete only against yourself, so do your best.

To so many people and businesses who have given, supported and assisted me this past year, and those who are currently sponsoring me, I give a heart-warming "THANK-YOU". To the citizens of this community for whom I represented, "Thank-You". To my friends and especially my parents, who stood by

my side every step of the way. Thank You. Finally to you Grayling for giving me

this opportunity a big-
THANK YOU!!

Reader Asks About Weather Cancellations

I would like to know why on December 21st the Elementary School Christmas Concert which was to be held at the Grayling High

School (a couple of miles) was cancelled due to the weather. So why did our school let our High School boys basketball team travel all the way to Sault Sainte Marie (140 miles one way) on January 12th for a basketball game after school was let out early due to the weather? Most schools postponed their game for a later date.

State Farm, the people best
known for car and home insurance,
was just rated the best for life.

When Best's Review, one of the insurance industry's most authoritative publications, ranked life insurance companies by policy performance - dividends actually paid to policyholders over the last 20 years - State Farm Life was at the very top.* State Farm Life's whole life policies outperformed those of every other major company.

Of course, that superior performance didn't surprise people who already own State Farm Life insurance. They knew it all along.

This is another example of State Farm's continued commitment to provide the very best value possible to its policyholders.

Advice from the Heart ...

Dear Mom and Dad,

After all the loving years I spent at home, and after the new found respect I gained for you since the births of your grandchildren, I'm writing to you about something I never thought I'd want to discuss with you, or anyone else for that matter ... planning funerals in advance.

I changed my attitude last week when a very nice counselor from a local funeral home stopped by to explain a program they offer called Forethought™ funeral planning. By enrolling in the program, Bob and I now have our funerals completely arranged even though we don't plan on needing them for many years to come. We're protected in the meantime and assured of having the service we want.

The peace of mind we've gained by knowing our kids will never be faced with the emotional and financial stress of making our arrangements is so gratifying that we want you to think about enrolling in the program yourselves. Although we expect you to be around for a long time to watch your grandchildren grow up, none of us really knows for sure.

We hope you decide to enroll in the program like Bob and I did. We're convinced it will benefit us all.

We love you,

Carol

Matmen Win at Roscommon Vikings Beat St. Ignace 72-61

The Grayling Matmen took 5th place out of 17 teams at the Ithaca Tournament on Saturday, January 20.

Dennis Springer at 171 pounds and Chad Broeker at 112 pounds took second place. Springer's record is 24-2 and Broeker is 14-6.

Third place finishers included Dan Jurkovich at 103, Andy Moore at 125 and Doug Doty at 145.

Jurkovich's record is 19-5, Moore 10-9 and Doty's stands at 20-8.

Terry Sorenson at

119 finished fourth with a 21-5 record and Joe LaForest finished sixth at 16-12.

Coach Don Ferguson said the Ithaca Tournament was excellent competition.

"The 119 weight class was loaded with state placers," said Coach Ferguson. "Terry is a two time state qualifier and seated in fifth place, taking a fourth overall."

Ferguson said Andy Moore did an excellent job finishing in third place and gave credit to all the wrestlers for a "good job".

Grayling met Roscommon, Gladwin and Coleman at Roscommon on January 18 and out wrestled all three times. Grayling beat Gladwin, 35-33; Roscommon 47-19; and Coleman 64-12.

Winning three matches were: Dan Jurkovich at 103, Terry Sorenson at 119, Andy Moore at 125, Doug Doty at 145 and Dennis Springer at 171.

Winning two matches were: Chad Broeker at 112, Sam Mack at 130, Joe LaForest at 140, Don Baker at 152 and Tom Schweizer at 189.

Winning one match were: Jason Thayer at 135 and Brent Day at 160.

"The match with Gladwin was one of the most exciting matches we've had this year," said Ferguson.

Grayling was ahead by 11 points going into the last two weights, he explained, and then Grayling had to forfeit the heavy weight match. This cut Grayling's lead to 5 points and a pin is worth 6 points.

"Gladwin opted not

to wrestle Springer," said Ferguson, "and jumped one of their better kids to wrestle Tom Scheizer." Ferguson said Schweizer held on and lost by only 10-8, which gave Grayling a two point advantage.

The Matmen have a tough schedule on the road for their next three matches. They met Rogers City on Monday, January 22; face Gaylord on Thursday, January 25, and then meet Gladwin on Saturday.

The Grayling J.V.'s played their best team game against St. Ignace last Friday, January 19, running the floor well, but they still came out on the short end, losing 71-64.

The Grayling Varsity club turned in an excellent team effort against St. Ignace on Friday, January 19, and defeated the Saints, 72-61.

Grayling captured an early lead, 16-8, by the end of the first quarter, and extended it to 34-25 by half time. The Vikings were ahead by 16 points at the end of the third quarter.

Jim Abney led in the scoring with 16 points. Jay Mertes followed

with 14, Shane Fraser 12, Scott Nicholas 10, Chad Bonamie 8, Kirk Annis 6, Matt Branch 4, and Tony Doremire 2.

Coach Tom Mills said his team played good defense, moving the ball well and getting it to the open man.

"It was an exciting game from a coach's standpoint," Mills stated. "Because we played hard and well, we wound up with the victory. St. Ignace is a tough ball club."

Grayling did not fair so well on Tuesday night against Kalkaska, losing 78-61. "We did not play

good defense," said Mills. "Kalkaska out hustled us and out played us."

Shane Fraser was high scorer for the Vikings with 19 points. Other points were scored by: Jim Abney 14, Chad Bonamie 9, Tony Doremire 7, and Ron Doe and Matt Branch scored 6 points each.

Huron Shores Conference standings following last week's games are: Cheboygan and Charlevoix are tied for first place with 5-1 records, Grayling and Petoskey are tied for second with 4-2,

Gaylord is alone in third with 2-3, and the Soo, Rogers City and St. Ignace are fourth with 1-4 records.

The Vikings hosted the Houghton Lake Bobcats on Tuesday, January 23, and will be traveling to Gaylord on Friday.

Mills said Grayling has to begin playing better ball when on the road.

"Every ball game is important now," he said, "because it builds momentum for the team."

The Grayling Pep or Jazz Bands play at home basketball games.

JV's Lose To St. Ignace

Coach Butch Hayes said his players were excited and scored the most points they have racked up all season in a single game.

Grayling stayed toe to toe with St. Ignace throughout the first half trailing by only one point at the end of the first quarter, 13-12, and again at half time, 33-32. The third quarter score was 51-44, St. Ignace.

Mike Kirmo led the J.V.'s in baskets with 16 points and 7 rebounds. Other scores were made by Eric Bonamie with 14 points and 8 rebounds, Aaron Raymond 9 with 3 rebounds, Scott Haas 7 points, Mark Brannan 6 points and 7 rebounds, Nick Hebekeuser 4 points, Mark Andrus 4 points and 6 rebounds, Chad Ormsbee 2 points and 3 rebounds and Ken Bindshatel with 2 points.

Tuesday night the J.V.'s lost another close game to Kalkaska, 50-48 at Kalkaska.

Hayes said his team got off to a slow start, but put in a good fourth quarter scoring 17 points.

Eric LaForest led in scoring with 14 points, 8 rebounds and 4 steals. Aaron Raymond followed with 13 points and 3 steals; Mark Brannan 6 points and 4 rebounds; Mike Kirmo 5 points and 4 steals; Chad Ormsbee 4 points, 4 rebounds and 3 steals; Eric Bonamie 2 points and 3 steals and Nick Hebekeuser and Mark Andrus had 2 points each.

Grayling played Houghton Lake at home on Tuesday night and is on the road again on Friday, playing the Blue Devils of Gaylord.

SAINTS GO DOWN - Grayling defeated St. Ignace with Scott Nicholas (No. 11) helping with a basket as Jim Abney waits in rebound position.

Grayling Puts Down Onaway In 3 Straight Games

Grayling did not advance beyond pool play at the Gaylord Invitational last Saturday, January 20, losing to both Petoskey and Escanaba.

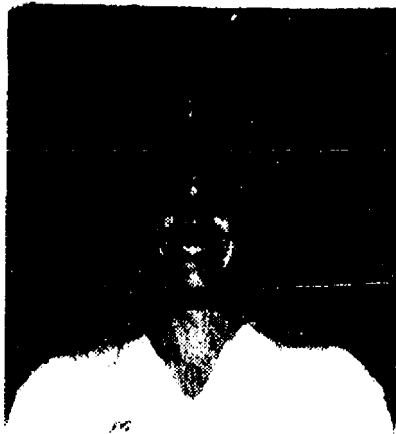

"Grayling did not get going until the second game of their match with Petoskey," said Becky Brown, coach of the varsity volleyball team. "We were just not playing aggressively."

Grayling lost to Petoskey 15-0 and 15-10. In the second game Brown said Grayling scored their 10 points after being behind by 12. Grayling also lost to Escanaba, who went on to win the tournament.

Brown said the bright spots of the tournament were the efforts turned in by Melanie Ojala, Nikki Trenary, Heather Stephenson and

Margarita Perez.

On Monday, January 15, the girls beat Onaway 15-10, 15-12 and 15-3.

Nikki Trenary

Nikki Trenary led Grayling with 18 serves and Tammy Duby followed with 10. Heather Stephenson led in attacks.

Onaway was not a strong opponent Monday night which Brown explained gave Grayling an opportunity to experiment with some different techniques they were waiting to try.

"It was a nice win," she said. "Everyone got to play and everyone contributed to the win."

The J.V. team lost to

Onaway 15-5, 15-3 and 15-12.

Grayling traveled to Gaylord on Wednesday, January 24.

Melanie Ojala,

Boys Defeat Boyne City Skiers

John Jurkovich disqualified himself in slalom and placed 4th in giant slalom. Freshman Clem Lochner skied in his first Varsity competition placed 11th in slalom and 15th in

giant slalom. Chris Lehti disqualified in slalom, placed 11th in the giant slalom. Bob Jansma placed 12th in giant slalom with Scott Hartman losing a ski and being disqualified in the slalom.

In the girls competition Grayling scored 1st with 40 points, Boyne second with 43 and Grayling third with 84.

The top Viking girl in the meet was Karen Febey with 6th in slalom, 4th in giant slalom. Tara Bertalan placed 9th in slalom and 14th in giant slalom. Jennifer Lochner placed 10th in slalom and 13th in giant slalom. Elissa Cox finished the team

scoring for the Lady Vikes with 12 in slalom and 16th in giant slalom.

The Vikes missed the Cadillac Invitational due to rescheduling of final exams.

Who's the only person who ever played professional basketball in the National Basketball Association and then was the head coach of a football team that played in the Super Bowl?...The only person ever to do that was Bud Grant...Grant played basketball in the NBA with the Lakers in 1950 and 1951...He also played pro football and was coach of the Vikings when they played in the Super Bowl in 1970, 1974, 1975 and 1977.

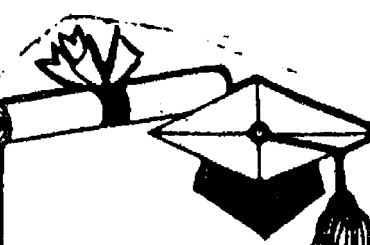

Only once in history has the Super Bowl been played in the same stadium for 2 consecutive years...Can you name that stadium?...The answer is the Orange Bowl in Miami which was the site for both Super Bowls II and III in 1968 and 1969.

Can you name the current coaches with the most career victories in men's and women's major-college basketball?...In the men's division it's Dean Smith of North Carolina who started this season with 687 career wins...In women's basketball, it's Jody Conradt of Texas who began this season with 529 career victories.

White chocolate isn't technically chocolate. It's a blend of vegetable fat, sugar, dry milk solids, vanilla and cocoa butter. The small amount of cocoa butter gives a hint of chocolate fragrance, but milk and vanilla provide most of the flavor.

Moose Lodge Helps Area Special Olympians

Moose Lodge chapters throughout the state have been financially supporting Michigan's Special Olympic programs for several years.

Most recently, the Grayling Moose Lodge #1162 donated \$1,200 to the C.O.O.R. Special Olympics. The presentation was made during the event's opening ceremony on Tuesday, January 16, at the Hanson Hills Recreation Area. Members of the lodge raised the money by sponsoring a Special Olympic Benefit Raffle at their district picnic last August.

In addition to the donation, District 14 lodge members worked as volunteers at the Crawford County games, a service the moose membership has provided for many years.

Following the olympics, these volunteers returned to the Grayling lodge for a hot meal and dancing.

On February 5th, the Wertz Warriors, a group of about 70 snowmobilers, who

will be traveling throughout northern Michigan (from lodge to lodge) raising money for the Michigan Special Olympics, will be stopping in Grayling. The group, which will include former Detroit Tiger baseball catcher, Bill Freehan, will be staying Monday night at the Grayling Holiday Inn. The Grayling Moose Lodge will be hosting a dinner and dance for the Warriors. The music will be provided by the 50's and 60's group, Northwind Country, who will be donating their time to help entertain the Warriors.

The Wertz Warriors are scheduled to leave from Mt. Clemens and travel several days before arriving in Grayling.

The Michigan Special Olympics will be held at the Sugarloaf Resort on February 5-8.

Following the local competition, 24 athletes from Area 4, which includes Crawford County, will go on to compete at the State Special Olympic games.

Other charitable projects of the Grayling Moose Lodge include hosting a

community children's Christmas party on December 16th for 129 children in the Grayling and Roscommon areas and donating 91 toys to the Frederic Fire Department for needy children in that community.

The Grayling Moose Lodge #1162 is the third oldest lodge in the state, having been chartered on December 7, 1912.

The lodge was located on Peninsular Street for many years, but was destroyed by fire in July, 1986. It is now located south of Grayling on the corner of Old 27 and South Grayling Road (Old 76) at the site of the former Big Wheel Restaurant.

The remodeling work on the building was completed by members of the lodge who volunteered their various skills. Many area businesses contributed materials.

These businesses included the Georgia-Pacific Resin Plant, Weyerhaeuser, Wolohan's Lumber, Gaylord Lumber, Wickes Lumber of Gaylord, Al Bennett Ford, The Copper Kett Restaurant, K&D Plumbing & Heating and Jack Millikin, Inc.

SPECIAL OLYMPICS—This student participates in the Area 4 Special Olympics at Hanson Hills. The Grayling Moose Lodge donated \$1,200 toward Special Olympics.

Bits of Talk

On Monday, January 22, Peggy Jean (Benware) Michalski, entered Marquette Hospital to under go a double Bi-pass open heart surgery. She would appreciate hearing from her Grayling friends. Her address is Mrs. Richard E. Michalski, Rt. 3 Box 2236, McMillan, MI 49853.

Mrs. Jean Benware enjoyed the company of her grandson, Thomas D. Benware II and Sally, of North

Carolina and Tom's mother, Mrs. Sandi Benware, and sister Carol Jean Benware and Smokie, of Bay City over the Christmas holiday. Also visiting was Tom's great aunt Betty Helsel and family. Tom is attending college in North Carolina, and carried a 4.0 for 1st semester.

On Christmas Day Mrs. Jean Benware was visited by her grandson Rick Michalski and Vicki

Goss of Essexville, Michigan, granddaughter, Cindy Jean Dropting, great grandson, Shane Wade Dropting, Standish and their friend, Dave Appleby, of Bay City. Jean also received a call from her daughter and husband, Dick and Peggy Michalski of McMillan, Michigan.

Jerry and Sheila Kraycs spent two and one half weeks in Hawaii visiting their son, Shawn Kraycs and his wife, Joanne Halstead Kraycs, at Pearl Harbor where Shawn is stationed. They also visited Honolulu. Their daughter, Shannon, spent a month there with her family. They saw other Grayling people, Don May and Tom Weaver and just missed seeing Debbie Dibble and her husband, Gary Beckwith. They visited the

beaches of Oahu, enjoyed the 25 guests of Shawn and Joanne on Christmas Day and were guests of Hazel Halstead and her family for a typical Japanese New Year on New Year's Day.

Paula Buchanan and her son, Mitchell spent the weekend on Drummond Island where they attended the funeral of her husband's stepfather, Francis Berry.

Pete Stephan attended a meeting in Lansing on Thursday and then was joined by his wife, Gloria, for the weekend at the home of Gale and Elinor Adams of Lansing. Members of the Kiwanis Club were in Cadillac on Monday evening for an interclub. Those attending were Don Vradenburg, Dr. William Dean, Don Palmer and Bob Bovee.

The Bible Speaks

From Calvary Baptist Church

The Gospel of John Part #111 Behold the Compassion

There is a stark contrast between the compassion of Christ and the world following His crucifixion. "Then said Jesus, Father, forgive them; for they know not what they do. And they parted his raiment, and cast lots." (Luke 23:24). John gives more details, "Then the soldiers, when they had crucified Jesus, took his garments, and made four parts, to every soldier a part; and also his coat; now the coat was without seam, woven from the top throughout. They said therefore among themselves, let us not rend it, but cast lots for it, whose it shall be: that the scripture might be fulfilled,

which saith. They parted my raiment among them, and for my vesture they did cast lots. These things therefore the soldiers did." (John 19:23, 24). The prophecy of Psalms 22:18 was then fulfilled.

In contrast to the soldiers, there was compassion toward Christ at the cross. "Now there stood by the cross of Jesus his mother, and his mother's sister, Mary the wife of Cleophas, and Mary Magdalene." (John 19:25). The other gospels tell us of many women standing a greater distance from the cross. (Matt. 27:55, 56; Mark 15:40). Mothers in particular seem to possess a special gift of human compassion. Abortion proves it is not a universal trait.

Finally, there is compassion within the Christian family. "When Jesus therefore saw his mother, and the disciple standing by, whom he loved, he saith unto his mother, Woman, behold thy son! Then saith he to the disciple, Behold thy mother! And from that hour that disciple took her unto his own home." (John 19:26, 27). Jesus Christ provided for the continued care of His mother within the Christian family. This action is not a response of flesh and blood, but of faith.

Remember when Jesus taught us this principle in Matthew 12:47-50? His mother and brethren had come to see Him, and He reminded those disciples were his mother and

brethren. "For whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother." (Matt. 12:50). He taught this again in Luke 11:27, 28: "And it came to pass, as he spake these things, a certain woman of the company lifted up her voice, and said unto him, Blessed is the womb that bare thee, and the paps which thou has sucked. But he said, Yea rather, blessed are they that hear the word of God, and keep it." Faith and fellowship in God's word is to produce a compassionate family of faith, hope and love. CHURCH DIRECTORY

You're Different — But!

There is no one in the world who has a fingerprint exactly like yours. Nor does anyone else have exactly the same texture of hair — or an identical personality — or even the same problems you have.

Everyone does have problems and although they differ from person to person, they all require the same two things — courage to face them, and strength to solve them.

Millions of people, each one different from the other, have sought, and have found, the problem-solving courage and strength they needed by going to the church or synagogue of their choice.

You ARE different, but you, too, may find just what you need — in God's House next week.

THE GAS PUMP

Traction Trade-Offs

Letting air out of your tires to gain better traction can undermine steering control and even reduce traction. Putting concrete blocks or sand bags in the trunk of a rear-drive car to gain traction will effect steering and make for longer stopping distances. In a skid, don't lock up the brakes by pressing hard, instead apply a slow, steady pressure.

CONSUMER CHECKLIST

That Time Again

Homeowners are being deluged with advertisements offering trees, shrubs and other plants. Beware of outlandish claims related to growth, flowering or fruiting of trees and shrubs. Watch out for claims of fastest growing, largest fruit or amazing new discovery. Dealing with nurseries that have been established for a long time is your best bet.

Army Specialist Fourth Class Michael

C. Crouch, 20, son of Mr. and Mrs. Arthur Crouch, Grayling, is in Vietnam with his unit, the 35th Engineer Battalion.

The Grayling Fire Dept. was called out at 1:40 p.m. Monday to extinguish a fire of unknown origin which burned a part of the ceiling of Maintenance

Building 100 at the Grayling Airport.

Gary Allen Harland, son of Mr. and Mrs. Alfred Harland, Grayling, was one of 51 trainees who were graduated from a VISTA Training Program at Northeastern University, Boston, Mass. Harland will spend one

year working with the Roxbury Federation of Neighborhood Centers in Boston.

The first meeting of Scout Troop 77 was held Wednesday, January 11, at the Grayling Elementary School at 7 p.m. Scoutmaster Kenneth Carlisle and Assistant Scoutmaster Bob Ruddy were pleased with the turnout of 22 boys.

bers of the Board are Elmer Corsaut of Frederic and Arthur Feldhauser of Lovells.

Pvt. Donald Smock will return to Camp Blanding, Florida, tonight after spending a week's furlough with his family and parents, Mr. and Mrs. Liland Smock.

S/Sgt. Wright and T/Sgt. Dwight Merrill are visiting their parents, Mr. and Mrs. Joseph Merrill. They are stationed at Sioux Falls, S.D.

Earl Gierke, T/5 of Camp Davis, N.C., will be returning to his post Friday after spending several days visiting his parents, Mr. and Mrs. A.F. Gierke. He has as his guest while here, Miss Louise Allen of Saginaw.

The scholars of third and fourth grade Frederic School were neither absent nor tardy during the month ending January 7:

Arlene Peterson, Rolland Hummel, Sally Bindschattel, Ted Leng, Betty Pratt and Reta Barber; the primary grade: Arthur Lozon, Tommy Peterson and Bobby Pratt; the fifth and sixth grades: Dale Allen, Dean Tobin and Jack Hummel.

T/Sgt. Bill Joseph arrived here Monday from Camp Butler, N.C., and will spend his furlough with his parents, Mr. and Mrs. A.J. Joseph.

The boys of the intermediate Sunday School class of the Free Methodist Church enjoyed a ski hike and weiner roast last Thursday. Their teacher, Rev. Calkins had his share of the good time.

Mrs. John W. Libcke just received a cablegram from her husband, Lt. Col. John W. Libcke who is located in London. He reports being well and that he is enjoying England.

It was 25 years ago that John Bruun, directly from Denmark, arrived in Grayling to begin a career. He entered into the employ of Salling Hanson Company as bookkeeper and became familiar with the lumber business and incidentally, big business. He worked faithfully and diligently and in doing so he built up a reputation for ability, honesty and ambition.

When the local mills closed, the Company owned thousands of acres of lands and other property. Some of this was what was known as cut-over lands, while others were located on lakes and streams. Many fine homes were built here because of the activities of Mr. Bruun. Grayling lost its bank, and what is a city without one? Local people were interested and willing to come out with all the money that was needed. But where were they to get a cashier? Right here John Bruun seemed to be the logical one for that position. Without having training in the banking, he undertook the job. Mr. Bruun visited other banks and interviewed successful bankers. When the time came January 2, 1932, Grayling State Savings Bank was ready for business. His activities didn't stop there. His real estate adventures have been highly successful. Oil is one of Michigan's big industries. Mr. Bruun has made a splendid success in that line. He is a studious reader and keeps informed on af-

fairs of the community and state. His library contains many valuable volumes all of which he has read. He speaks and writes several languages.

Last Thursday a group of his business associates tendered him a banquet at the Bancroft Hotel in Saginaw. Not until the affair was about over did Mr. Bruun know that it was being given in his honor. That was one time when John was just about stumped. However he was able to acknowledge a gift of a very fine watch and express the feeling that Grayling had been good to him. Friends from Grayling at the dinner included Mr. Wilhelm Raab, Mr. and Mrs. Esbern Hanson, Mrs. Margrethe Graham and Mr. and Mrs. Oscar Hanson.

69 Years Ago
January 20, 1921

A joint meeting was held at the court house Monday evening of the Village council and Township board to consider the matter of buying the Presbyterian Church building for a public library. A number of other citizens also were present. A committee composed of the following was appointed to look into the matter: Mayor George N. Olson, Harry Simpson and George McCullough from the council and Joseph Burton, Emil and L. J. Kraus from the township board and M.A. Bates and A.M. Lewis from the Board of Education.

Ambrose McClain is suffering from blood-poisoning on his right hand. The infection resulting from a slight scratch.

Mrs. Henry Bauman and Mrs. Oscar Hanson were hostesses to the Bridge Club Tuesday afternoon. Guests of the club were Mrs. R. Hanson, Miss Alexander of Detroit, Mr. Elmer Cornwell of Saginaw, Miss Ann Walton, Mrs. C.M. Morfit held the high score for bridge.

Mr. and Mrs. Holger Hanson returned from Detroit where they enjoyed a two week's visit with the former's brothers, Emil and Magnus Hanson and sister, Mrs. S.S. Phelps, Jr., and their families.

For her mother, Mrs. Sarah Corwin, who celebrated her 73rd birthday Sunday, Mrs. Cella Granger gave a dinner with the lady's children together with their husbands and wives as guests. These included Mr. and Mrs. James Wingard, Mr. and Mrs. Nelson Corwin, Mr. and Mrs. Orson Corwin, Mr. and Mrs. Chris Hoesli and Mr. and Mrs. George Biggs.

Whether vitamin B in the form of brewer's yeast added to the fishes' diet will reduce hatchery losses in the winter months is the subject of experiments being conducted at Grayling and Marquette hatcheries. At Grayling, 5,700 trout yearlings are the guinea pigs. One pond of rainbow trout and one of brown are fed five percent brewer's yeast in addition to their regular hatchery diet. Another pond of rainbow and of brown are fed the same diet without any yeast. These experiments were begun in the fall and will continue until waters are at normal temperatures.

Resource Review

By Bruce Patrick
Conservation Officer

The perch family (Percidae) is one of our most popular and sought after groups of fish. Characterized by a large, toothy mouth, heavy scales and separated dorsal fins,

the vast majority of the species in this family belong to the sub-family Etheostominae, or darters. The most important species are, however, large and increasingly popular gamefish: the yellow perch, the Walleye and the Sauger.

One of the most abundant and best known of freshwater fishes, the yellow perch is found in eastern North America from Nova Scotia to North Carolina and west to the upper Mississippi Valley. This natural range has been expanded to many other states through artificial propagation measures.

Perch are active predators and hold a spot midway through the food chain. This means they are prey species for larger fish as well as man. Walleyes are known by a variety of other names such as pike, perch, blue pike, yellow pike and pickerel. One of the most popular gamefish in this part of the county is due to the quality of their flesh, the Walleye is also the largest member of the Perch family, obtaining a maximum weight of 26 pounds.

Saugers generally are much smaller than Walleyes and are lighter colored. Although their ranges overlap here, Saugers do not seem to be as common as Walleyes. This may be due to advances in the propagation of Walleyes in this state. Extensive rearing and planting of these layer fish are causing their popularity to increase.

Other than the difference in size and coloration, a good field mark for distinguishing between the two species is a small white spot found at the tip of the lower lobe of the tail on Walleyes but absent in Saugers.

Verse or Worse

By Joe Murphy
Boyhood Dreams

What happened to the dreams I had
When I was a young and bright eyed lad?
Where is the fortune I would make
Where is that mansion on the lake
Where is the fame that I would win
Where are the tigers I would skin
Where are those chests of jewels and gold
That I was sure someday I'd hold
Those dreams that somehow faded away
As I lived my life just day by day
My fortune is not jewels or gold
But all those memories that I hold
I never won a lot of fame
Except a good and honest name
Good friends and family that I treasure
Is the fortune that I measure
My jewels the stars in the night time skies
My gold the sun that I see rise
My emeralds the green of grass and leaves
My diamonds the bright and sparkling seas
The life time of memories that I hold
I would not trade for tons of gold
Though my dreams have faded I did not fail
On my journey along life's trail
For as I near my journey's end find
That the prize I've won is peace of mind

Overeaters Anonymous Meets Jan. 31

Compulsive overeaters are invited to a new meeting of Overeaters Anonymous beginning Wednesday, Jan. 31, from 6:00 p.m. to 7:30 p.m. at the Mercy Hospital Riverside Room in Grayling.

Overeaters Anonymous is not a diet club. There are no dues or fees, no weigh-ins. The only requirement for membership is a desire to stop eating compulsively.

OA views compulsive overeating as a physical, emotional, and spiritual disease that can be arrested, but not cured. Members seek recovery in all three areas by following the twelve-step program of Alcoholics Anonymous.

KCC Graduates Achieve 100% Passing Rate

Recent graduates of Kirtland's Associate Degree Nursing and Practical Nursing programs have once again achieved a 100% passing rate on state licensing exams.

The state passing rate on the Registered Nursing exam was 91%. Kirtland was one of only six schools who achieved the 100% rate, with 46 schools in Michigan participating.

"We are very proud of our students' continued success rate on these exams," stated Katherine Grosser, Director of Health Occupations. "It speaks well of our students, and also tells us that the quality of our

program is exceptional. These results show that Kirtland produces some of the best nurses in the state."
